

**Export-Import Bank of Pakistan (“EXIM Bank”)** is set up by the Government of Pakistan, as Pakistan’s official Export Credit Agency, to support inter-alia the growth of exports and to undertake import substitution projects.

EXIM Bank is looking for:

**Grade:**  
Up to M4

**Job:**  
Chief Information Security Officer (C.I.S.O.)

**Department:**  
Risk

**Job Location:**  
Islamabad

**Qualification:** Minimum Bachelor’s in I.T., Systems, Computer Engineering, Software Engineering, or a related field from a leading international university or a local one recognised by the Higher Education Commission (H.E.C.).

**Experience:** Minimum 8 years of relevant work experience with leading financial institutions in Pakistan.

**Key Responsibilities:**

- Develop and implement Information Security Framework as required by the regulator.
- Oversee endpoint protection of network servers and endpoint devices through multi-layered threat protection and DLP protocol.
- Administer inward/outward data routing on network servers.
- Monitor IT environment through security information & event management (SIEM) and conduct real-time analysis of security alerts and log management.
- Drive vulnerability scanning of technologies installed and collaborate with IT team to mitigate threats/vulnerabilities.
- Assess risk in IT modules and guide IT team in developing corrective measures.
- Engage with relevant stakeholders in adoption of new technology and share technical insights during pilot testing of solution.
- Define SOPs of end point protection and share with concerned subsidiaries.
- Ensure high level security of database and effective use of end point protection solution, protocol and security measures.

**Core Competence:**

- Extensive knowledge of Network Security.
- Comprehensive knowledge of IT System Security.
- Clear understanding of Governance Framework.
- Thorough knowledge of Security Operations.
- Good computer literacy and inclination towards automation.
