1.	<p>I hope this Email finds you well. I am writing to respectfully request an amendment to a specific clause within the recent procurement bid document, titled Supply, Installation, Testing, and Commissioning of Network Equipment/DR Site," which currently stipulates that "The Bidder must have a minimum of ten (10) years of relevant experience."</p> <p>While we acknowledge the agency's intention to ensure the highest level of expertise for the project, we believe that revising this requirement to "three (3) to five (5) years of relevant experience" would encourage more competitive participation in the bidding process.</p>	<p>Bidders are requested to adhere to the minimum requirements.</p>
